Mayor Harley, hope all had a great New Year and Christmas holiday. Looking forward to 2024, there will be a lot of great events. Wanted to mention that Environmental Advisory Board, formerly known as Robins Advisory Board, meets here quarterly in the community room; fees haven been waived to use the facility. They are a great organization, continue to provide restoration of the grounds and gains at RAFB.

Looking forward to another new year. Appreciate everyone for their hard work.
