

Utility Bill Payments Just Got Easier! Introducing Auto-Pay!

We are excited to announce a convenient and hassle-free upgrade to your online utility bill payment experience! You can now set up **Recurring Payments (Auto-Pay)** directly through our <https://centervillega.mygovhub.com> portal.

We heard your requests about this feature, and we are pleased to confirm that this service is now available. It is the simplest way to ensure your bill is always paid on time without the stress of monthly reminders.

Key Features & Benefits

Setting up Auto-Pay is quick and gives you complete control:

- **Easy Setup:** You can activate and manage recurring payments in just a few clicks after logging into your account at <https://centervillega.mygovhub.com> portal.
- **You Choose the Date:** You select the specific date you want your payment to be drafted each cycle, giving you control over your payment schedule.
- **Notifications:** A great peace-of-mind feature! By clicking on the notification button, you will be automatically **notified** (via email) prior to the payment draft date. This required step ensures you are always aware of upcoming payments.
