LIVE IN THE CENTER

What can you recycle at the Centerville Recycling Center?

Metals

Metals should be clean and be one of the following:

Ferrous Metals: Contain iron which is magnetic. Includes food containers, metal hangers and many appliances (There is a \$10 donation for each appliance that contains Freon.)

Non-Ferrous Metals: Non-magnetic metals include copper tubing, plumbing materials, electrical wires, brass keys or fixtures, tin cans, aluminum bottles, aluminum plates, aluminum foil, aluminum siding/shed doors, and lead weights.

Aluminum Drink Cans: Non-magnetic aluminum drink cans are separated from other aluminum and includes beer/soda cans. (Please ensure this cans are rinsed and dry.)

Paper

The Recycling Center accepts all types of paper. Please separate in the following containers:

Newspaper: Newspaper, including glossy inserts (Please remove from any plastic/paper bags.)

Office Paper: Junk mail, adding machine tape, phone messages, colored paper, envelopes (including those with plastic windows,) brochures, copy paper, sticky notes, notebook paper, computer paper (white/green bar,) and shredded paper.

Magazines, Slick Paper, Phone Books: Magazines (should be shared with friends before recycling,) Phone books/paper manuals with glued bindings.

Cardboard

Corrugated Cardboard: moving boxes (Please break down before recycling,) cereal boxes, shoe boxes, cellulose insulation, and brown paper bags (Please give serviceable brown paper bags to the operator for recycling to the local Food Bank.)

Other items that the Recycling Center accepts:

Cooking Oil, Motor Oil and Anti-freeze.
Hearing Aids and Glasses for the Lions Club.

Please rinse all metal cans, and aluminum drink cans.
