CENTERVILLE, GEORGIA – We are excited to announce that the City of Centerville has been awarded one of the *2026 Well-Being Grants* by the Georgia Municipal Association (GMA). The grant supports the City of Centerville's commitment to facilitating positive change in the workplace culture and going the extra mile for employees' well-being.

GMA is honored to collaborate with the City of Centerville at every step of the well-being journey. Awards are made statewide to Participating Employers enrolled in one or more medical plans through the GMEBS (Georgia Municipal Employees Benefit Services) Life and Health Insurance Fund.

The Well-Being Program at GMA helps members embrace a variety of skills, mindsets, and cultures to encourage utmost well-being through workplace well-being initiatives. These initiatives have a demonstrated track record of improving employee well-being and quality of life, while reducing medical claims and improving workplace morale.
